Yearbook Staff

eighty one

Look back on these years, for these years, and these years alone are life. In the brief course of these years lies all the varieties and realities of your existence: the joy of growth, the splendor of beauty, the glory of action.

Yesterday is but a memory, and tomorrow is but a vision. But today well lived, makes each yesterday a memorial of happiness, and each tomorrow a dream of hope.

Look forward to many years, for years,
and years alone, are life.

Marchelle Mueller '80 Homecoming Queen

If I could save time in a bottle,
the first thing that I'd like to do,
Is to save everyday till eternity
passes away,
just to spend them with you . . .

ACTION

GARY HAVERMAN—ALL AMERICAN

Gary came to McKendree after his graduation from Belleville East. Throughout his collegiate basketball career, Gary has been a four-year starter for Coach Statham's Bearcats, played 120 games at McKendree, notched 2362 career points, and pulled down 1057 career rebounds.

During his senior year, he was named to the National Association of Intercollegiate Athletic All American First team. He was the first McKendree player to receive this honor. He was also chosen unanimously to the NAIA All-District 20 team. Gary averaged 22.8 points and 8.5 rebounds per game. Haverman was also named to the Southwest Baptist All-tournament team. The Louis F. Vesely scholarship was also given to Gary. His versatility, ability, desire, and sportsmanship will be missed.

SPORTS WRAP-UP

SOCCER

The 1980 soccer Bearcats had a tough ladder to climb. It was billed as a rebuilding year and the 'Cats finished the season with a dismal 3-15 record. Despite their record, however, they received a NAIA District 20 post-season playoff berth.

VOLLEYBALL

The bearcat volleyball team had its ups and downs during the 1980 season, but they learned a great deal and gained experience for the 1981 stint.

The road came to an end on Parents' Night at the Bearcat gym, when Washington University of St. Louis was the opponent. The 'Cats continued to play well and appeared to have gained momentum to beat the strong visitors, but Washington University came back and took the Bearcats in four games, finalizing their record at 7-16.

BASKETBALL

Coach Harry Statham's Bearcats had an outstanding 1980-81 season, a stint that may be the best ever at McKendree. Finishing the season #1 in District 20, the 'Cats won their way to the District finals, but fell one point short in their bid, to the Kansas City tournament.

McKendree College basketball mentor, Harry Statham was named the National Association of Intercollegiate Athletics (NAIA) District 20 Coach-of-the-Year for 1980-81.

WOMEN'S BASKETBALL

McKendree College's women's basketball team started the season with two tough losses to Lewis and Clark Community College and then to Kaskaskia Community College. But their future began to look brighter and they finished the season posting a 11-9 record.

GOLF

The McKendree College golf team advanced to the National Association of Intercollegiate Athletics (NAIA) national championship tournament in June, by capturing the NAIA District 20 title May 4 in Jacksonville, Illinois.

Dale Jacobs, a senior member of the McKendree College golf team from St. Louis, Missouri was the overall District 20 medalist, shooting a 78.

McKendree College golf coach, John Randall was named District 20 Coach-of-the-Year.

BASEBALL

Coach Van Smith's baseball Bearcats completed the most successful season of his 10-year coaching reign, finishing the 1981 stint with a 26-16 record.

Timely clutch hitting, combined with great pitching from one of the best hurling staffs in the St. Louis area, helped the 'Cats roll to several doubleheader sweeps during the season.

An at-large berth in the NAIA District 20 playoffs saw the Bearcats seeded fourth. The 'Cats finished the tournament fourth, posting two wins and two losses.

SOFTBALL

The Bearcats softball team had a busy schedule last season. The 'Cats faced a rebuilding year and closed the season with a respectable 18-14 record.

McKENDREE COLLEGE

Baker Hall

Here at Baker the men spend most of their time at the windows; making faces at by-passers, drinking a cool one, or looking for someone to throw water on. Of course, there's also Tom Piatchek who stands outside the doors of Baker because he can't find a window.

Barnett Hall

The women of Barnett show you what you can do when you live in a dorm; organize the first motorcycle sorority, learn to talk on the phone while taking a shower, show others that you can spell, sit with a good friend, plan strategy for your next game of backgammon, and invent a quicker way to get to the men of Walton Hall.

Walton Hall

In Walton live some of the most famous people you'll find on campus; pledge brothers who learned never blame it on yourself, blame it on your brother; the champaign sisters, the famous table surfer—Jerome; All American Gary; the famous Arab sheik and his family; and the three stooges.

Behind every success . . . endeavor,
Behind endeavor . . . ability,
Behind ability . . . knowledge,
Behind knowledge . . . a seeker.

This is the VERY LAST page of the 1980-81 Yearbook! Hurrah!! It was a lot of work, and it would not have been possible without the help of:

Cindy Blackmer—Assistant and photographer
Kathy Smith—who was considered my good samaritan
Mike Acton—who took over developing in a time of need
Anne Meyer—for her assistance in the area of sports
Ron Tremmel—Advisor, who listened to me gripe and complain, and who was sure I was going to spend the rest of my life working on the yearbook
Student Affair Staff—for helping me in every way possible
Linda Techner—Herff-Jones Representative, for all her help and understanding
Sudlow Photography—for class portraits
Arch Montgomery—for the spectacular Homecoming pictures

A special thanks to my roommates, Trish and Mary Ann, who put up with me and allowed me to turn our room into the "Yearbook Quarters", and a special thanks to Jim who gave me a lot of strength and encouragement when I needed it most.

I hope this book helps you remember the good times we shared during this past year at McKendree, and as the famous "Porky Pig" always says,

"Tha-tha-tha-that's all folks!"
